BODØ2024

Bodø2024 is the largest cultural project in Norway in over 10 years, and the largest ever in Northern Norway. The purpose of the European Capital of Culture is to bring the people of Europe together - using culture as a tool.

The occasion creates significant cultural, social and economic benefits to transform the image of the city and region, as well as creating visibility on an international scale. In 2024, over 1000 events will be held throughout Nordland county. Bodø2024 has chosen to focus on youth, competence building, sustainability and cooperation with various European institutions. The long-term effects are to build a solid foundation for the cultural sector in Nordland county in the future. Bodø2024 is therefore also a community project that will make our region an attractive place to live in.

Welcome to Bodø2024!

THIS PROGRAM IS SUBJECT TO CHANGES. THE USE OF PICTURES IS IN ACCORDANCE WITH OUR CONTRACTUAL OBLIGATIONS WITH VISIT NORWAY AND SCANDIC HOTELS.
