We are pleased to announce that the MSIBT has been made part of the new World Bridge Tour (WBT) organised by the World Bridge Federation, enhancing its status even further internationally. For more information on the WBT please see the WBF website at: <http://championships.worldbridge.org/world-bridge-tour>

JUNIOR PROJECT

The profit from MSIBT will be used for activities for young bridge players. Since 2018 HJBK have given bridge courses for several thousand kids in primary school.

We have arranged several junior camps and tournays for bridge playing juniors from all over Norway. HJBK will in the future arrange new and exciting happenings that will give the young players good experiences and make them take bridge with them further in life and ensure that our sport lives on.
